Cruising Range: 3400 Nautical Miles

## Cabins & Passengers Details

Cabins: 6  
Passengers Capacity: 12

## Additional information

Water Tank Capacity: 16200 litre

More details: SIROCCO is yet another spacious and elegant motor yacht from the Heesen yard, this Tri deck vessel, built of Aluminium is both practical and elegant. Sirocco takes her name from the famed hot wind that blows through the Sahara and the yacht has an African-inspired appeal. Her interior design was completed by Omega Architects combining Makassar wood, natural stone, leather, marble and wooden floors to give deep, earthy tones.

A special request by SIROCCO's owner puts the master suite on the wheelhouse deck, with its gigantic party dining area accessible at the rear deck. Though it is no less sumptuous than any other location, a king-size berth is centred, facing aft, with

its headboard forward,  
and storage beneath.  
Large pillars not only add  
motif, they add structural  
support and double as  
storage.

Add this to the fact that  
there is both a Jacuzzi and  
spacious, fully equipped  
gym with extra storage. It  
makes SIROCCO one of  
the best options for a  
potential buyer who is  
looking for speed and  
power fantastically  
balanced with luxury and  
comfort.

## Location

Country: France  
City: Nizza
